Good afternoon,

On Wednesday, December 7th, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new cross-listed course proposal for Spanish/Comparative Studies/WGSS 2381.

I am pleased to report that the Panel unanimously approved the request with two recommendations:

- **Recommendation:** The Panel offers the friendly reminder to ensure that all standardized statements (such as Student Life – Disability Services, Title IX, etc.), are updated for the campus where the course will be offered.
- **Recommendation:** The Panel recommends updating the absence policy regarding medical excuses, as Student Health Services no longer offers the self-identification of absence and is asking students to no longer schedule an appointment to obtain a medical excuse, especially when they can self-care at home. For more information, and the current policy from the Wilce Student Health Center, please visit their website here: <https://shs.osu.edu/appointments/absence-excuse>.

Spanish/Comparative Studies/WGSS 2381 will continue through the approval process. Next, the proposal will be sent to the REGD Panel of the ASCC for review of the requested GEN Foundation: Race, Ethnicity and Gender Diversity.

Should you have any questions relating to the feedback of the A&H1 Panel, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Panel, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
