Good afternoon,

On Wednesday, February 1st, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course request for Theatre 5840. Please see below for the Panel's feedback.

I am pleased to report that the Panel unanimously approved the request with one recommendation and one comment:

- **Recommendation:** The Panel offers the friendly recommendation to add a second significant assessment to the course syllabus to help increase the rigor of the course and to allow students more opportunities to engage practically with the course materials.
- **Comment:** After speaking with Jeanine Thompson, the staff in the ASC Curriculum and Assessment Services office will add the prerequisite of "Or graduate standing" to the official course prerequisites in curriculum.osu.edu before the course is advanced to OAA. This will be added to allow graduate students seamless access to the course, given they will likely not have completed the current, required undergraduate prerequisite of 3831.

Theatre 5840 will continue through the approval process. My office will advance the course to OAA.

Should you have any questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Panel, or me.

All my best,
Michael
