Good afternoon,

I am pleased to report that the revisions to EDUTL 4303 were reviewed and unanimously approved with one recommendation:

- **Recommendation:** The reviewing faculty recommend utilizing the correct GE ELOs when describing what is being met under the course assignment descriptions on pages 5-8 of the course syllabus.

EDUTL 4303 will continue through the approval process. My office will advance the course to OAA.

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the Themes 1 Panel, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
