Subject: Proposal to establish a 1b Certificate in Computational Physics
Date: Monday, February 12, 2024 9:40:58 AM
Attachments: [image001.png](#)

Lindsey and Tom:

The proposal from the Department of Physics to establish a 1b certificate in Computational Physics was approved by the Council on Academic Affairs at its meeting on February 7, 2024. Thank you for attending the meeting to respond to questions/comments and for agreeing to make the editorial suggestions through an edited submission.

No additional level of internal review/approval is necessary. This action will be included in the Council's next [Annual Activities Report](#) to the University Senate (July 2024).

The Office of the University Registrar will work you with any implementation issues.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact the Chair of the Council, Professor Fábio Leite (.11), or me.

Randy

W. Randy Smith, Ph.D.
