Randee:

The proposal from the Department of Anthropology to establish an undergraduate major program in Forensic Anthropology leading to the Bachelor of Science degree was approved by the Council on Academic Affairs at its meeting on April 19, 2023. Thank you for attending the meeting to respond to questions/comments.

No additional level of internal review/approval is necessary. This action will be included in the Council's next [Annual Activities Report](#) to the University Senate (July 2023).

I will now work with the College of Arts and Sciences to prepare the proposal for submission to the Ohio Department of Higher Education. I would expect action at that level in Summer 2023. I will monitor its progress closely. The program may not be offered until that level of approval is secured.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Rebecca Andridge (.1), or me.

I wish you success with this exciting new program.

Randy

W. Randy Smith, Ph.D.

Vice Provost for Academic Programs
