Good afternoon,

On Thursday, February 9th, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a course proposal for Art Education 7604

The Panel unanimously approved the request with one recommendation:

- *The Panel recommends that the syllabus feature the most current mental health statement (found on pages 20-21 of the document), as the name and phone number of the suicide/crisis hotline have changed. The up-to-date language is available here: <https://ascas.osu.edu/curriculum/syllabus-elements>*

As a reminder, *recommendations* (in italics above) should be implemented when the course is next taught. Art Education 7604 will continue through the approval process; my office will advance the course to OAA.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H 2 Panel; cc'd on this e-mail), or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
