To the Arts and Sciences Curriculum Committee;

On February 15, 2023 the Arts and Sciences Curriculum Committee's Arts and Humanities Panel 1 reviewed and approved a proposal from the Department of East Asian Languages and Literatures for a Graduate Certificate on the Teaching of East Asian Languages and Literatures. (GRC-TEALL) The goals of developing GRC-TEALL are to better prepare graduate students to be more effective and more inclusive teachers; to expand DEALL's current strength in language pedagogy to the pedagogies of culture, literature, and linguistics; to make DEALL graduates even more competitive in the job market; and to enhance DEALL's already strong reputation in pedagogy training by offering a structured program. Providing systematic pedagogy training to graduate students is relevant and important to DEALL's mission.
