Good afternoon,

On Tuesday, April 4th, the Themes II Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Traditions, Cultures and Transformations proposal for History 3475.

History 3475 was approved by the Panel with one recommendation:

i. *Recommendation:* The reviewing faculty recommend that the department use the most updated version of the "Statement on Mental Health" (syllabus pg. 9-10), as the name and phone number for the suicide/crisis helpline have changed. An up-to-date statement can be found here: https://asccas.osu.edu/curriculum/syllabus-elements.

History 3475 will continue through the approval process to OAA; my office will advance the course.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Ila Nagar, faculty Chair of the Themes II Panel, Heather Tanner, faculty Chair of the Theme Advisory Group: Traditions, Cultures and Transformations, or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
