RE: Changes to the English minor

Dear Brad and Members of the Arts and Sciences Curriculum Committee,

At its meeting on March 23, 2023, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed and unanimously approved the following changes to the English minor:

- 1) To reduce the minor's current 15 credit hour requirement to 12 credit hours. This change in credit hours will align the English minor to other minors such as Asian American Studies, Classical Humanities, History, and Women's, Gender, and Sexuality Studies, which require 12 credit hours.
- 2) To add new courses developed for the GEN to the writing requirement portion of the minor.

We believe that the proposed changes to the English minor will make the program consistent with other programs in the College of Arts and Sciences; therefore, we advance the proposed revision to the English major with a motion to approve.
