Good morning George and Jenifer,

On Wednesday, March 22nd, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed course number and course description changes for Art 4115 and 4205.

I am pleased to report that the Panel unanimously approved these changes, for both courses, with one recommendation:

- **Recommendation:** The Panel recommends utilizing the most up-to-date Student Life – Disability Services and Mental Health statements, as they were updated at the beginning of the 2022-2023 academic year. The most up-to-date statements can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/curriculum/syllabus-elements>.

Art 4115 and 4205 will both continue through the approval process. My office will advance the proposals to OAA.

Should you have any questions regarding this feedback, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Panel, or me.

All my best,
Michael
