Good afternoon Amy, Eden, and Lisa,

On Thursday, March 30th, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a new course request for Philosophy 2332.

I am pleased to report that the course was unanimously approved with two recommendations:

- **Recommendation:** The Panel recommends utilizing the most up-to-date GEN Goals and ELOs found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/new-general-education-gen-goals-and-elos>.
- **Recommendation:** On page 9 of the course syllabus, under the “Absences” section, the Panel noticed there was a reference to a student’s “Good Citizenship” grade. They believe this to be a reference to a past assignment/category that was removed and remind the course proposer that this may need to be removed from this section.

Philosophy 2332 will continue through the approval process. My office will advance the proposal to the Themes Panel of the ASC Curriculum Committee.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Eugenia Romero, faculty Chair of the Arts and Humanities 2 Panel, or me.

All my best,
Michael
