Good morning Debbie and Sarah,

On Friday, May 12th, the Themes 1 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Citizenship for a Diverse and Just World proposal for Anthropology 3306.

I am pleased to report that the Panel unanimously approved the proposal with one recommendation:

- **Recommendation:** The reviewing faculty recommended that the Student Life – Disability Services and Mental Health statements be updated, as they were updated at the beginning of the 2022-23 Academic Year. The most up-to-date statements can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/curriculum/syllabus-elements>.

Anthropology 3306 will continue through the approval process. My office will advance the course to OAA.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes 1 Panel, Birgitte Soland, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or me.

All my best,
Michael
