Good evening,

On Wednesday, April 19th, the Arts and Humanities 1 Panel reviewed a new course proposal for Italian 2057.

I am pleased to report that the Panel unanimously approved the request with two contingencies and one comment. As a reminder, the Panel's contingencies must be satisfied in a revision submitted to curriculum.osu.edu.

- **Contingency:** The Panel asks that all references to the yet-to-be proposed Honors Embedded version of this course be removed from the course syllabus and the GE form for REGD. The Honors Embedded material should only be added to the syllabus once the appropriate Honors Embedded version of the course has been approved by the ASC Honors Committee. Additionally, the Panel found that it was unclear why there was a statement saying that the course would be 3 credit hours, unless a student enrolls in the 4 credit hour Honors Embedded version of the course. Will the course be 4 credit hours for the Honors Embedded students? They ask that the department reach out to Lindsey Chamberlain.55, Assistant Dean for Academic Enrichment, if they have not already to discuss this option prior to submitting to the Honors Committee.
- **Contingency:** The Panel noticed that the course calendar (as found on pages 14-16 of the provided syllabus) runs on a 16-week calendar. They ask that this be amended to only be 14 weeks, as a semester is only 14 weeks long.
- **Comment:** The Panel noticed that Italian 2057 does not appear on the Italian Studies major curriculum map. They point this out to the department so they can ensure it is added to the Italian Studies curriculum map, should this course be able to fit within that major program.

I will return Italian 2057 to the departmental queue via curriculum.osu.edu in order to address the Panel's above feedback.

Should you have any questions regarding this feedback, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Panel, or me.

All my best,
Michael
