George:

The proposal from the Department of Art to add a new specialization in Film and Video to the Bachelor of Fine Arts was approved by the Council on Academic Affairs at its meeting on July 12, 2023.

No additional level of internal approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2023).

The Office of the University Registrar will work you with any implementation issues.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact the Chair of the Council, Professor Rebecca Andridge (,1) or me.

I wish you success with this important program development.

Randy
