Good afternoon George and Jenifer,

On Thursday, April 27th, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a request to revise the Art BFA program.

I am pleased to report that the Panel unanimously approved the request with one small recommendation:

- **Recommendation:** The Panel notices that on the advising sheet, under College Survey course, there appears to be a minor typo. The College Survey course is 1100.xx, not 1110. They recommend this be corrected.

The revision to the Art BFA will continue to the full Arts and Sciences Curriculum Committee.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Eugenia Romero, faculty Chair of the Arts and Humanities 2 Panel, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
