Good morning,

On Friday, May 12th, the Themes 1 Panel of the ASC Curriculum Committee reviewed new GEN Theme: Citizenship for a Diverse and Just World proposals for Russian 3480.01 and 3480.99.

The Panel did not vote on the proposals as they would like the following feedback items addressed:

- The reviewing faculty ask that the GEN Theme Citizenship ELOS 4.1 and 4.2 be incorporated and explained more thoroughly within the course syllabus. Currently, they are unsure how issues of diversity and justice will be handled within the course and would like to see this further addressed on the syllabus.
- The reviewing faculty ask that the course's legacy General Education Goals, ELOs, and explanatory rationale are incorporated into the syllabus, as this a requirement of all GEL courses. As a reminder, this course is approved for GEL Visual and Performing Arts and Diversity – Global Studies and the GEL Goals and ELOs can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/legacy-general-education-gel-goals-and-elos>.
- The reviewing faculty ask that a cover letter be submitted that details all changes made as a result of this feedback.

I will return both Russian 3480.01 and 3480.99 to the departmental queue via curriculum.osu.edu in order to address the above feedback.

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes 1 Panel, Birgitte Soland, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or me.

All my best,
Michael

Michael Hilty
