Andrew:

The proposal from the College of Arts and Sciences to revise the Associate of Arts degree was approved by the Council on Academic Affairs at its meeting on September 6, 2023. Thank you for attending the meeting to respond to questions/comments and provide clarifications.

No additional level of internal approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2023).

The Office of the University Registrar will work you with any implementation issues.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact the Chair of the Council, Professor Fábio Leite (.11) or me.

I recognize that this was an important revision for both internal and state-level considerations.
