Good afternoon,

I am pleased to report that the staff in the ASC CAS office has reviewed and approved the revision(s) to History of Art 3010. However, they wish to remind the department that, just like the GEN goals and ELOs, the GEL goals and ELOs should be immediately followed by a short paragraph that explains how this course will meet the goals and ELOs, per a requirement of the Arts and Sciences Curriculum Committee.

HistArt 3010 will continue through the approval process.

Should you have any questions, please do not hesitate to reach out to me.

Best,  
Rachel

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
