Good afternoon,

On Wednesday, October 25th, the Arts and Humanities 2 Subcommittee of the ASC Curriculum Committee reviewed a course change proposal for History of Art 3625H.

The Subcommittee unanimously approved the request with two contingencies:

- **Contingency:** The Subcommittee requests that the department include in the syllabus the Goals and ELOs for the Literary, Visual and Performing Arts GEN Foundation followed by an explanatory paragraph that links the course to the category. These are typically listed toward the beginning of the syllabus, often after the course description. The LVPA Goals and ELOs can be found in an easy to copy/paste format on the [Arts and Sciences Curriculum and Assessment Services website](#).
- **Contingency:** The Arts and Sciences Curriculum Committee recently updated the list of required syllabus statements for all syllabi to include a statement on religious accommodations. This new, required statement is a result of a directive by the Executive Vice President and Provost and can be found in an easy to copy/paste format on the [Arts and Sciences Curriculum and Assessment Services website](#).

As a reminder, **contingencies** must be addressed and resubmitted via curriculum.osu.edu before a course can move forward in the approval process.

I will return History of Art 3625H to the department queue via curriculum.osu.edu in order to address the Subcommittee's requests.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact Laura Podalsky (faculty Chair of the A&H2 Subcommittee; cc'd on this e-mail), or me.

Best,
Jennifer
