Subject: ASC Honors Committee Review of English 2276H
Date: Tuesday, September 19, 2023 3:56:57 PM

Greetings:

On September 19, 2023, the Curriculum and Assessment Subcommittee of the College of Arts and Sciences Honors Committee reviewed and approved your proposal for English 2276H, a new Honors course.

In extending their approval, the members of the committee asked that I pass along the following suggestion:

- The subcommittee believes the course would be strengthened by requiring more readings and a more substantial final paper assignment.

I have approved this course in the curricular system. This will now move on to the Arts and Sciences Themes subcommittee for theme and integrative practice review before moving to Honors & Scholars.

Please let me know if you have any questions. The subcommittee members believe your course will be a welcome addition to the honors curriculum, and they wish you the very best with what they are certain will be a rewarding experience for you and your students.

Sincerely,
Lindsey Chamberlain
