Good afternoon,

On Monday, September 11<sup>th</sup>, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a new course request for Classics 3700.

I am pleased to report that the Subcommittee unanimously approved the request with one contingency and one recommendation:

- **Contingency:** The Subcommittee asks that the GEN Theme “Generic” Goals 1 and 2 and their corresponding ELOs be added to the course syllabus for the GEN Theme Lived Environments. It is a requirement of all General Education courses to have all the GEN Goals and ELOs within the course syllabus. A list of the GEN Goals and ELOs can be found in an easy to copy-and-paste format on the [ASC Curriculum and Assessment Services website here](#).
- **Recommendation:** The Arts and Sciences Curriculum Committee recently updated the list of required syllabus statements for all syllabi within the College to include a statement on religious accommodations. This new, required statement is a result of a directive by the Executive Vice President and Provost and [can be found here on the ASC Curriculum and Assessment Services website](#). The Subcommittee recommends this be added directly to the course syllabus but recognizes that the Marion campus has a helpful link with all required statements.

I will return Classics 3700 to the departmental queue via [curriculum.osu.edu](#) in order to address the above feedback.

Should you have any questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Subcommittee, or me.

All my best,  
Michael

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
