Good afternoon,

On Tuesday, October 31st, the Themes I Subcommittee of the ASC Curriculum Committee reviewed a course proposal for Psychology 2303.

The Subcommittee unanimously approved the request; Psychology 2303 will continue through the approval process to OAA.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact Jim Fredal (faculty Chair of the Themes I Subcommittee; cc'd on this e-mail), or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
