Good morning,

On Wednesday, April 24th, the Themes I Subcommittee of the ASC Curriculum Committee reviewed a course proposal for College of Medicine 3585 to be included in the GEN Theme: Health and Wellbeing.

The reviewing faculty unanimously approved the request.

College of Medicine 3585 will continue through the approval process to OAA.

Should you have any questions, please feel free to contact Jim Fredal (faculty Chair of the Themes I Subcommittee; cc'd on this e-mail), or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
