Good afternoon,

On Wednesday, December 13th, the Themes 2 Subcommittee of the ASC Curriculum Committee reviewed a GEN Theme: Citizenship for a Diverse and Just World request for Art 3008.

I am pleased to report that the Subcommittee unanimously approved the proposal with one recommendation:

- **Recommendation:** The reviewing faculty recommend updating the Mental Health statement, as the National Suicide Hotline phone number was updated. The list of the most up-to-date statements can be found on the [ASC Curriculum and Assessment Services website](#).

Art 3008 will continue through the approval process. My office will advance the proposal to OAA.

Should you have any questions, please do not hesitate to reach out to Ila Nagar, faculty Chair of the Themes 2 Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and

continues to affect the Indigenous peoples of this land.
