Good afternoon Jen and Birgitte,

On Monday, October 23rd, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed 100% DL requests for History 2105, 3245, & 3231. Please see below for the Subcommittee's feedback.

History 2105

I am pleased to report that the Subcommittee approved the request with two recommendations:

- **Recommendation:** The Subcommittee recommends, on page 1 of the syllabus, correcting where it says this course is synchronous as it appears to be an asynchronous course offering.
- **Recommendation:** The Subcommittee recommends that the course instructor direct students to the Writing Center if they need support when writing their long-form assignments.

History 3245

I am pleased to report that the Subcommittee unanimously approved the request.

History 3231

I am pleased to report that the Subcommittee approved the request with one contingency:

- **Contingency:** The Subcommittee asks that the General Education Goals, ELOs, and explanatory paragraph be added for all General Education categories. Currently, the information for GEL Diversity – Global Studies and GEN Foundation: Historical and Cultural Studies is missing from the provided course syllabus. As a reminder, the [GEL information can be found here](#) while the [GEN information can be found here](#) on the ASC Curriculum and Assessment Services website.

I will return History 3231 to the departmental queue while History 2105 and 3245 will continue through the approval process. History 2105 and 3245 will be advanced to OAA.

Should you have any questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
