---

Good afternoon,

On Monday, March 4<sup>th</sup>, the Themes II Subcommittee of the ASC Curriculum Committee reviewed a Citizenship for a Diverse and Just World request for Political Science 2110.

I am pleased to report that the Subcommittee approved the request with three contingencies:

- **Contingency:** The reviewing faculty would like to see ELO 2.2 more fully developed within the course syllabus, as they are currently unable to see where within the course syllabus students will engage with self-reflective exercises. They recommend, if it is helpful, adding a group project for students to be able to come together to reflect upon the course material, and then offer individual reflective assignments that will allow students to reflect upon their experiences with the project and also the GEN Theme category.
- **Contingency:** The reviewing faculty ask that the Religious Accommodation statement be updated within the course syllabus. On March 1<sup>st</sup>, 2024, the Arts and Sciences Curriculum Committee updated the required statement to be in compliance with the new statement, which was provided by the Office of Undergraduate Education and vetted by the Office of Legal Affairs. The newly updated statement has been updated on the [syllabus elements page of the ASC Curriculum and Assessment Services website](#).
- **Contingency:** The reviewing faculty ask that a cover letter be submitted that details all changes made as a result of this feedback.

I will return the proposal via curriculum.osu.edu in order to address the Subcommittee's feedback.

Should you have any questions, please do not hesitate to reach out to Ila Nagar, faculty Chair of the Themes II Subcommittee, or me.

All my best,

Michael

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
