

February 28, 2024

Maria Miriti, PhD
Associate Dean of Academic Affairs
Graduate School - The Ohio State University
miriti.1@osu.edu

Dear Dean Miriti,

The College of Public Health supports the Biostatistics PhD program revision submitted to the Graduate School for review for their meeting today, February 28th, 2024. The Academic Studies Governance Committee, which serves as the Graduate Studies Committee, reviewed and approved the proposal in November 2023.

Sincerely,

A handwritten signature in black ink, appearing to read 'Aram Dobalian', written in a cursive style.

Aram Dobalian, JD, PhD, MPH
Associate Dean of Graduate Studies
Professor and Chair, Health Services Management and Policy
College of Public Health
