Good afternoon,

On Wednesday, March 27th, the Themes I Subcommittee of the ASC Curriculum Committee reviewed a course proposal for KNSISM 3100 to be included in the GEN Foundation: Lived Environments.

The Subcommittee unanimously approved the request with one contingency and one recommendation:

- **Contingency:** Changes in University policies recently (03-01-2024) required the Arts and Sciences Curriculum Committee to update the list of required syllabus statements for all syllabi to include a new statement on religious accommodations. The new version is a result of a directive by the Executive Vice President and Provost and can be found here on the [ASC Curriculum and Assessment Services website](#). The reviewing faculty thank you replacing the previous statement found on pg. 8 of the syllabus.
- *Recommendation:* The reviewing faculty recommend that the department consider removing the ELO column from the chart on pgs. 5-6 of the syllabus. While they appreciate the detail provided for the faculty reviewers, they note that this column may make the table more difficult for students to digest.

As a reminder, **contingencies** (in bold above) must be addressed and resubmitted via curriculum.osu.edu before this course can move forward in the approval process to OAA. *Recommendations* (in italics above) should be implemented when the course is next taught. I will return KNSISM 3100 to the department queue via curriculum.osu.edu in order to address the Subcommittee's requests.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact Jim Fredal (faculty Chair of the Themes I Subcommittee; cc'd on this e-mail), or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
