## **Curriculum Map for Comparative Studies Major**

## Program Learning Goals:

- Goal 1 Students develop the capacity to analyze differences in culture and politics over time.
- Goal 2 Students develop the capacity to engage and analyze issues of community and social justice.
- Goal 3 Students develop interdisciplinary thinking and writing skills, and an understanding of relationships between disciplines.
- Goal 4 Students develop the ability to read critically and interpret a diverse range of texts, material artifacts, and/or performance traditions.
- Goal 5 Students develop the capacity for aesthetic and historical response and judgment of cultural products and modes of consumption.
- Goal 6 Students develop the ability to understand how ideas and cultural artifacts influence the character of human beliefs, the perception of reality, and the norms that guide human behavior.

Comparative Studies						

**CONCENTRATION CORE**—MAJOR FOCUS (15 CREDITS): This core requirement is fulfilled by the development of an individualized Major Focus. This focus is determined by each student in consultation with her or his advisor. It consists of a set of five courses (at least four of which must be Comparative Studies or Religious Studies courses, and no more than two at the 2000 level) that is centered on a particular set of discourses, objects, cultural practices, or problems.

**ELECTIVES (12 CREDITS)**—Should complement the Major Focus, but can add additional knowledge bases or theoretical/methodological approaches.
