---

Good afternoon,

On Monday, December 4th, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a new course proposal for Theatre 5343.

The Subcommittee unanimously approved Theatre 5343 with one contingency and one question:

- **Contingency:** The Subcommittee asks that the department include a description of the assignments so that it is clear to students what is expected. For more information regarding required assignment details in syllabi, refer to item 9 on the Syllabus Elements page of the [Arts and Sciences Curriculum and Assessment Services website](#). [Syllabus p. 2]
- Question: The Subcommittee notes that the course counts for credit in the Moving Image Production major yet is submitted as a Theatre course. The Subcommittee certainly is not suggesting that this is wrong but wonders why the course is not submitted as a Moving Image Production course, as that is also what the content of the course is focused on. Could the department explain via return email?

As a reminder, contingencies (in bold above) must be addressed and resubmitted via [curriculum.osu.edu](#) before a course can move forward in the approval process.

I will return Theatre 5343 to the department queue via [curriculum.osu.edu](#) in order to address the Subcommittee's request.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact David Staley (faculty Chair of the A&H1 Subcommittee; cc'd on this e-mail), or me.

Best,  
Jennifer
