Hi Jennifer,

Thanks for the update! Our preference would be to keep the existing letter grades, to make sure students are incentivized to complete all of the assignments and successfully accomplish the course pedagogical goals.

Good afternoon,

I am reaching out on behalf of the Social and Behavioral Sciences Subcommittee regarding Political Science 3950, which was reviewed at their most recent meeting.

The faculty of the Subcommittee offered feedback recommending that the course be graded on a S/U basis rather than the standard letter grades of A – E. Please let me know at your earliest convenience if the course proposer is interested in making this adjustment, and we can return the course to the department queue via curriculum.osu.edu to allow you to implement this change.

Should the course proposer decide they wish to keep the grading scheme as a letter grade, please let me know, and my office will advance the course to OAA.

Best,
Jennifer
