Eric:

The proposal from the Department of Speech and Hearing Science to revise the Master of Speech Language Pathology was approved by the Council on Academic Affairs at its meeting on January 8, 2025. Thank you for attending the meeting to respond to questions/comments.

No additional level of internal review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2025).

Given the extent of change, the Graduate School will work with the College of Arts and Sciences to prepare the proposal for submission to the Ohio Department of Higher Education. I would expect action at that level in Winter 2025. I will monitor its progress closely.

The Office of the University Registrar will work you with any implementation issues.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact the Chair of the Council, Professor Sue Sutherland (.43), or me.
