Course description

In this course, students will be introduced to a wide range of professions that involve the Arts. At each weekly class meeting, current professionals from diverse arts fields will visit and present about their experiences. First, you will have the opportunity to do some analysis of and reflection upon what your personal traits are, using Clifton Strength Finders, and upon what you consider to be meaningful work in general, using our Meaningful Work Statement. Based on the criteria you develop, you will then be able to size-up the work experiences and daily routines of Arts organizations and their structures, arts and artist entrepreneurs, museum educators or administrators, Pre-K 12 arts teachers, Community-based arts organizations, and other arts professionals who will visit. During their presentations, they will speak about how their educational choices prepared them for work in their fields and how they acquired sufficient experiences and training to be able to succeed in their chosen careers. Finally, we will explore strategies for identifying and obtaining internships and work experiences in the arts, as well as the details of job seeking, including resume, curriculum vitae, and LinkedIn profile preparation, as well as the writing of cover letters, statements of purpose and interviewing for jobs. Students will be encouraged to participate in informal job shadowing for further insight.

General goals and learning outcomes

By the end of this course, students will:

1. Identify the various careers and opportunities in the arts.
2. Become familiar with the educational and experiential backgrounds of successful arts professionals.
3. Use a variety of OSU support services that promote and develop student academic success and professional life after graduation.
4. Practice core competencies in writing resumes, obtaining internships, and effective strategies for finding employment or graduate-level study in the arts after completing undergraduate degrees in arts-related majors.
5. Identify their own strengths and preferences to guide their job searches and career choices.

Format of instruction & Credit Hours:

Arts Careers is a 1 credit hour course that will be conducted in-person, with invited speakers

and visitors attending the course to speak F2F or via Zoom. According to Ohio State policy, students should expect one 55-min session per week of direct instruction and to 2 hours homework outside of class (i.e., assignment preparation/completion).

The Department of Art Administration, Education & Policy Statement on Teaching

In line with [OSU's Shared Values](#), the [Department of Art Administration, Education & Policy](#) (AAEP) understands that diversity, equity, inclusion, and accessibility are essential foundations of humanity and our excellence as a university community. A core goal of AAEP is to empower students to function as critically engaged citizens with and through the arts, in ways that improve the well-being of our local, state, national, and global communities. We also strive to foster social change and uphold equal rights through innovative teaching and learning in the arts and the creative economy. The Department has an important role to play in finding concrete ways to intervene and help to create the conditions for acts of social justice that confront varying oppressive systems. We commit to creating a brave and welcoming environment for all students, faculty, and staff. We dedicate ourselves to opening up sustained dialogue about social injustices, inequity, and power, which expands student perspectives, develops empathy and critical thinking, and supports resilience. We expect students to thoughtfully and respectfully engage in the course materials and ideas presented therein.

It is Ohio State's policy to reasonably accommodate the sincerely held religious beliefs and practices of all students. The policy permits a student to be absent for up to three days each academic semester for reasons of faith or religious or spiritual belief.

Students planning to use religious beliefs or practices accommodations for course requirements must inform the instructor in writing no later than 14 days after the course begins. The instructor is then responsible for scheduling an alternative time and date for the course requirement, which may be before or after the original time and date of the course requirement. These alternative accommodations will remain confidential. It is the student's responsibility to ensure that all course assignments are completed.

Grading

Attendance and Participation: 15 extra credit points possible

Homework: 40 points

Meaningful Work Reflections: 60 points

Students who receive ≥ 64 of 100 total points on Homework, Reflection Essays and Attendance/Participation will receive an S grade for the course

Attendance & Participation:

Students should attend class to get the most out of it. The point is to learn things you don't yet know about careers in the Arts, and you can't do that if you're not here. There will be 15 TopHat "quizzes" at the beginning of each class, through Carmen. You can earn up to 15 extra credit points in this way. The total points for class will not exceed 100 (i.e., if you have 90 points from Homework and Meaningful Work Reflections, and 15 points from TopHat, you still only get 100 points).

Late Assignments:

Assignments must be turned in by 11:59 pm the night before the class session indicated in the course calendar. If you are unable to submit your work on time due to illness, verifiable documentation will be required.

Homework: Students must upload all assigned homework (see calendar) via Carmen by midnight the day before class.

Mental Health Statement

As a student you may experience a range of issues that can cause barriers to learning, such as strained relationships, increased anxiety, alcohol/drug problems, feeling down, difficulty concentrating and/or lack of motivation. These mental health concerns or stressful events may lead to diminished academic performance or reduce a student’s ability to participate in daily activities. The Ohio State University offers services to assist you with addressing these and other concerns you may be experiencing. If you or someone you know are suffering from any of the aforementioned conditions, you can learn more about the broad range of confidential mental health services available on campus via the Office of Student Life’s Counseling and Consultation Service (CCS) by visiting ccs.osu.edu or calling 614-292-5766. CCS is located on the 4th Floor of the Younkin Success Center and 10th Floor of Lincoln Tower. You can reach an on call counselor when CCS is closed at 614-292-5766 and 24 hour emergency help is also available through the 24/7 National Suicide Prevention Hotline at 1--800-273-TALK or at suicidepreventionlifeline.org.

Statement on Title IX

Title IX makes it clear that violence and harassment based on sex and gender are Civil Rights offenses subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories (e.g., race). If you or someone you know has been sexually harassed or assaulted, you may find the appropriate resources at <http://titleix.osu.edu> or by contacting the Ohio State Title IX Coordinator, Kellie Brennan, at titleix@osu.edu
