Good afternoon,

On Tuesday, February 13th, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a new course request for Art Education 5681.

I am pleased to report that the course was unanimously approved with one recommendation:

- **Recommendation:** The reviewing faculty offer the friendly recommendation to update the Student Life – Disability Services statement in the course syllabus, as they recently updated it for the 2023-24 academic year, as well as the Mental Health statement. The most up-to-date [statements can be found here](#) on the ASC Curriculum and Assessment website.

Art Education 5681 will continue through the approval process. My office will advance the course to the Graduate School.

Should you have any questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and

continues to affect the Indigenous peoples of this land.
