Good afternoon,

On Tuesday, February 13th, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a level change and course number change request for MRS 3211.

I am pleased to report that the proposal was unanimously approved with one recommendation:

- **Recommendation:** The Subcommittee recommends articulating, for future submissions from CMRS, how the submitted course has become an upper division, advanced course. While they noticed that the course project has been substantially reworked, they found that the other ways in which the course has become more advanced to be implicit and it may be beneficial to state these changes explicitly.

MRS 3211 will continue through the approval process. My office will advance the proposal to the ASCC Themes Subcommittee.

Should you have any questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Subcommittee, or me.

All my best,

Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the

Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
