Good afternoon,

On Tuesday, February 27th, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a new course request for Russian 1102.02.

I am pleased to report that the Subcommittee unanimously approved the request with one comment, four contingencies, and one recommendation:

- **Comment:** The Subcommittee would like to ask the department why they have chosen to utilize the .02 decimalization for this course, as the Department of Slavic and East European Languages and Cultures has established that they utilize .99 for distance learning courses. If the department is turning away from this policy, that is certainly acceptable, but the Subcommittee wondered if, perhaps, this was merely an oversight and wanted to bring this to the department's attention.
- **Contingency:** The Subcommittee asks that the prerequisites in curriculum.osu.edu be updated to include all versions of Russian 1101, as the department has decimalizations of the course. The prerequisite for the course should include 1101.01, 1101.51, and 1101.61.
- **Contingency:** The Subcommittee asks that Russian 1102.61 be added as an exclusion within curriculum.osu.edu.
- **Contingency:** The Subcommittee asks that the GEL Foreign Language Goals, ELOs, and brief explanatory paragraph be added to the course syllabus, per a requirement of all General Education courses. The GEL Goals and ELOs can be found on the [ASC Curriculum and Assessment Services website](#).
- **Contingency:** The Subcommittee asks that the links to the ASC Curriculum and Assessment Services site and the ASC Advising site be removed from the course syllabus (as found on page 2), as they worry these may be confusing to students and seem to be mistakenly left within the syllabus.
- **Recommendation:** The Subcommittee recommends updating the Student Life – Disability Services and Mental Health statements, as they have been updated for the 2023-2024 academic year. The most up-to-date syllabus statements can be found on the [ASC Curriculum and Assessment Services website](#).

I will return Russian 1102.02 to the departmental queue via curriculum.osu.edu in order to address the Subcommittee's above feedback.

Should you have any questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
