Good afternoon,

On Thursday, September 5th, the Themes II Subcommittee of the ASC Curriculum Committee reviewed a GEN Theme: Mobility, Migration, and Immobility request for cross-listed courses Ethnic Studies & History of Art 3408.

I am pleased to report that the Subcommittee approved the request with the following feedback:

- Comment: The Subcommittee is impressed by the instructor's level of engagement with the original feedback sent to the department and greatly appreciates the thoughtful changes made to the syllabus that were outlined in the detailed cover letter.
- *Recommendation:* The Subcommittee recommends that the department use the most recent version of the Student Life Disability Services Statement, which was updated in summer of 2024. The updated statement can be found in an easy to copy/paste format on the [Arts and Sciences Curriculum and Assessment Services website](#). [Syllabi p. 6]

As a reminder, *recommendations* (in italics above) should be implemented when the course is next taught.

Ethnic Studies & History of Art 3408 will continue through the approval process to OAA.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact Lisa Cravens-Brown (faculty Chair of the Themes II Subcommittee) or me.

Best,
Jennifer
