Good morning,

On Monday, April 29th, the Themes II Subcommittee of the ASC Curriculum Committee reviewed a new GEN Theme: Citizenship for a Diverse and Just World request for History/WGSS/AAAS 3084.

I am pleased to report that the Subcommittee unanimously approved the request with one recommendation:

- **Recommendation:** The reviewing faculty recommend that the course syllabus further showcase and add additional ways for students to engage in self-reflective activities, as required by ELO 2.2.

History/WGSS/AAAS 3084 will continue through the approval process. My office will advance the proposals to OAA.

Should you have any questions, please do not hesitate to reach out to Birgitte Sølund, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, Ila Nagar, faculty Chair of the Themes II Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
