Good afternoon,

On Wednesday, April 10th, the Arts and Humanities 2 Subcommittee of the ASC Curriculum Committee reviewed a new course proposal for cross-listed courses History, WGSS, and AAAS 3084.

The Subcommittee unanimously approved the proposal with the following comments:

- Comment: The Subcommittee is excited by these new cross-listed courses and offers the follow comments for the departments to consider.
- Comment: The Subcommittee reminds the WGSS and AAAS departments to update their major curriculum maps to include this new course.
- Comment: The Subcommittee notes that the due dates for the assignments revolving around the analysis paper do not begin until week 9 and, since these assignments account for such a significant part of the grade, wonders if students will have the opportunity to apply feedback from the instructor to the next assignment related to the paper.
- Comment: The Subcommittee encourages the department to define what constitutes an excused absence if the syllabus is going to make a distinction between excused and unexcused absences in any way. [Syllabus p. 5]

History/WGSS/AAAS 3084 will continue through the approval process to one of the Themes Subcommittees for approval in the Theme: Citizenship for a Diverse and Just World.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact Laura Podalsky (faculty Chair of the A&H2 Subcommittee; cc'd on this e-mail), or me.

Best,
Jennifer
