---

Good afternoon,

On Wednesday, May 1<sup>st</sup>, the Natural and Mathematical Sciences Subcommittee of the ASC Curriculum Committee reviewed a proposal to revise the BA and BS in Biology as well as the Biology minor.

The Subcommittee unanimously approved the proposal with **one contingency**:

- **Contingency:** The Subcommittee requests that the CLSE provide an updated version of the proposal that includes the revised syllabi of Biology 3501.01 - .07 & 4901 that address the Subcommittee's feedback on the courses after the revisions to the courses have been resubmitted individually and approved by Ian Hamilton.

Once the updated documents have been added to the proposal, please send the new version to Bernadette Vankeerbergen.1.

Should you have any questions, do not hesitate to contact Ian Hamilton (faculty Chair of the NMS Subcommittee, cc'd here), or me.

Best,  
Jennifer
