Good afternoon,

On Friday, May 2<sup>nd</sup>, the Themes II Subcommittee of the ASC Curriculum Committee reviewed a GEN Theme: Citizenship for a Diverse and Just World request for Educational Studies 3280.

The Subcommittee voted to unanimously not approve the course within the GEN Theme category. Please see below for their feedback:

- The reviewing faculty appreciate the revisions provided by the course instructor and thank them for their time and effort in crafting this proposal. They have enthusiasm for the topic as a concept and believe it would be a valuable addition to the GEN Theme category. However, at this time, they are unable to see a path forward with this submission that will allow the course to successfully engage in concepts of citizenship, diversity, and justice and fulfill the GEN Theme ELOs and, therefore, are voting to not approve this proposal.

I will return the proposal back to the departmental queue to allow you to cancel this request within curriculum.osu.edu.

Should you have any questions, please do not hesitate to reach out to Lisa Cravens-Brown, faculty Chair of the Themes II Subcommittee, or me.

All my best,

Michael

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
