Good afternoon,

On Thursday, December 12<sup>th</sup>, the Themes 2 Subcommittee of the ASC Curriculum Committee reviewed a GEN Theme: Citizenship for a Diverse and Just World request for History 3570.

The reviewing faculty approved the request with the following feedback:

- Comment: The reviewing faculty are unclear as to whether the weekly YouTube videos used in the course are produced by the instructor or other resources. If the latter, there is concern if the videos alone can be considered meaningful engagement with the instructor to satisfy the substantive interaction component of the course. The reviewing faculty encourage the department to consider the [regular and substantive interaction requirements](#) of all online courses to ensure that students are actively participating in the learning process.

History 3570 will continue through the approval process to OAA.

Should you have any questions, please feel free to reach out to me.

Best,  
Jennifer
