Good afternoon,

On Thursday, October 3rd, the Themes II Subcommittee of the ASC Curriculum Committee reviewed a GEN Theme: Migration, Mobility, and Immobility request for WGSS 3505.

I am pleased to report that the Subcommittee unanimously approved the request with one recommendation:

- **Recommendation:** The reviewing faculty recommend updating the Diversity statement within the course syllabus, as it was recently updated for the 2024-2025 academic year. The most up-to-date statement can be found on the [ASC Curriculum and Assessment Services website](#).

WGSS 3505 will continue through the approval process. My office will advance the course to OAA.

Should you have any questions, please do not hesitate to contact Lisa Cravens-Brown, faculty Chair of the Themes II Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the

university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
