Good afternoon,

On Tuesday, October 15th, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a course request for Music 8840.

I am pleased to report that the Subcommittee approved the request with the following feedback:

- **Comment:** The Subcommittee is impressed by the extensive course goals and how thoughtfully they are integrated into the assignments.
- **Recommendation:** The Subcommittee recommends that the School of Music use the most recent version of the Student Life Disability Services Statement, which was updated in summer of 2024. The updated statement can be found in an easy to copy/paste format on the [Arts and Sciences Curriculum and Assessment Services website](#). [Syllabus. pp. 6-7]
- **Recommendation:** The Subcommittee notes that page numbers are not systematically included in the bibliography and, due to the number of assigned readings, recommends that this be included in order for students to gauge the week-by-week expectations. [Syllabus pp. 9-11]

As a reminder, *recommendations* (in italics above) should be implemented when the course is next taught.

Music 8840 will continue through the approval process to the Graduate School.

Should you have any questions, please feel free to contact Tom Dugdale, faculty Chair of the A&H1 Subcommittee, or me.

Best,
Jennifer
