Good afternoon,

On Friday, January 10th, the Arts and Humanities 2 Subcommittee of the ASC Curriculum Committee reviewed a proposal to revise the minor in American Sign Language.

I am happy to report that proposal was unanimously approved with the following comments:

- a) Comment: The Subcommittee commends the unit for their work on this program, and they are happy to see the ASL program expanding at Ohio State.
- b) Comment: The Subcommittee notes that the standard boilerplate language regarding the requirement for students to complete at least 6 credit hours of upper division course work is missing from the minor program sheet. The ASC CAS staff will be in touch to make sure that the sheet has all the correct information once the program change is fully approved.
- c) The next step is consideration of the proposal by the Arts and Sciences Curriculum Committee at their meeting on Jan. 31st. We look forward to seeing you then.

Should you have any questions about the feedback above, do not hesitate to contact Laura Podalsky (cc'd here), faculty Chair of the Arts and Humanities 2 Subcommittee, or me.

My best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
