Good morning,

On Wednesday, April 23rd, the Natural and Mathematical Sciences Subcommittee reviewed a new course and GEN Foundation: Natural Sciences request for Physics 1125.

I am pleased to report the Subcommittee unanimously approved the request.

The proposal will advance through the process to OAA.

Please do not hesitate to reach out to me with questions.

All my best,

Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
