Good morning,

On Monday, May 12th, the Themes 1 Subcommittee of the ASC Curriculum Committee and the Theme Advisory Group for Health and Wellbeing reviewed a GEN Theme: H&W request for Pharmacy 3550.

I am pleased to report that the reviewing faculty approved the request with the following feedback:

- Comment: The reviewing faculty appreciate the instructor's thoughtful engagement with their previous feedback.
- *Recommendation:* Due to the recent renaming of the Office of Institutional Equity to the [Office of Civil Rights Compliance](#) and the closure of the Office of Diversity and Inclusion, the reviewing faculty recommend that the College of Pharmacy update the links on page 17, in the religious accommodations statement on page 19, and below the diversity statement on page 20 of the syllabus. The full religious accommodations statement with the updated link can be found in an easy to copy/paste format on the [Office of Undergraduate Education website](#).

As a reminder, *recommendations* (in italics above) should be implemented when the course is next taught.

Pharmacy 3550 has been advanced to OAA.

Should you have any questions, please do not hesitate to reach out to me.

Best,
Jennifer
