Good afternoon,

On Tuesday, February 28<sup>th</sup>, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a new course request for History 2003.

I am pleased to report that the Subcommittee approved the request with one contingency:

- **Contingency:** The Subcommittee asks that the department receive concurrence from the Chase Center.

This contingency has already been satisfied and the course has been advanced through the approval process to OAA.

Please let me know if you have any questions.

All my best,

Michael

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
