Good afternoon,

On Tuesday, April 1st, the Arts and Humanities 1 Subcommittee of the ASC Curriculum Committee reviewed a new course request for 2490.

I am pleased to report that the Subcommittee unanimously approved the request with two contingencies:

- **Contingency:** The Subcommittee asks that the department request concurrence from the Department of History. The contact for the Department of History is Jen Getson.3.
- **Contingency:** The Subcommittee asks that the GEN Foundation: Historical and Cultural Studies information be removed from the course syllabus, given that the course is not requesting a General Education category at this time (syllabus page 2).

I will return 2490 to the departmental queue to allow you to address the above feedback.

Please do not hesitate to reach out to Tom Dugdale, faculty Chair of the Arts and Humanities 1 Subcommittee, or me with questions.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
