Good afternoon,

On Tuesday, August 26th, the Arts and Humanities Subcommittee 1 of the ASC Curriculum Committee reviewed course change requests for AAAS/CompSt/WGSS 2006.

The Subcommittee approved the requests with the following feedback:

- **Contingency:** As of August 29th, 2025, all syllabi must have either a link to the statements below **or** these statements written out in their entirety within the syllabus. Syllabi should link to the Office of Undergraduate Education's [Syllabus Policies & Statements webpage](#) and/or copy-and-paste the below statements from the Office of Undergraduate Education's website. The Subcommittee requests that the departments add the required statement on intellectual diversity or its link to the syllabi.

- Academic Misconduct
- Student Life - Disability Services
- Religious Accommodations
- **Intellectual Diversity**

Instructors are welcome to include any other standard and/or recommended syllabus statements found on the Office of Undergraduate Education's webpage which they deem relevant for their course. Please also refer to this page to ensure that any statements written out in the syllabi are current and accurate.

As a reminder, **contingencies** (in bold below) must be addressed and resubmitted via curriculum.osu.edu before a course can move forward in the approval process.

I will return AAAS/CompSt/WGSS 2006 to the department queues via curriculum.osu.edu in order to address the Subcommittee's requests.

Should you have any questions about the feedback, please do not hesitate to reach out to Dave Hedgecoth (faculty Chair of the A&H1 Subcommittee) or me.

Best,
Jennifer
